# ABOUT

**VARSITY MARKS THE EXCITING CONCLUSION TO A YEAR OF BUCS SPORT WITH OUR ANNUAL COMPETITION AGAINST OUR EAST MIDLANDS RIVALS - THE UNIVERSITY OF DERBY!**

Alternating between Derby's Kedleston Road Campus and the University of Northampton's Park Campus each year, over 22 Sports Clubs compete throughout the day to take home the trophy and the bragging rights for victory!

Established only in 2014, the Northampton Stallions remain undefeated, with a hairline finish of 10-9 in the inaugural year, an outstanding victory of 15.5 to 7.5 on home turf in 2015 and another narrow success of 13-12 last year.

This year sees Varsity back on home turf, but the tournament has already begun! Derby took an early lead at BUCS Nationals this February, with Derby's Swim Team winning four events to Northampton's two for their first Varsity point of the year and each Athletics Team winning an event for half a Varsity point each!

At the Loughborough Dance Competition on March 12, Derby's Dance Team secured yet another point and due to difficulties with our American Football Team a third full point has now been conceded to the University of Derby.

With the tournament kicking off on Park Campus with a starting score of 3.5 to 0.5 – could this be Derby's year?

The letters are filled with a collage of small, overlapping photographs of students, likely participants or spectators from the Varsity event. The background of the graphic is dark, and the overall design is modern and dynamic.

# NORTHAMPTON STALLIONS

The University of Northampton Stallions Men's Football First Team got their campaign off to a strong start, registering three victories from their opening four league matches. Since then, their form has not been quite as consistent, but they did demolish Anglia Ruskin (Cambridge) 6-2 on the road. At the time of print, they are third in Midlands 2B.
